JOINT PICNIC JULY 4th.

There will be a joint picnic of all the Sunday Schools in and around Tracy City July 4th at the old Landberger Spring, about 100 yds above the stone bridge at Flat Rock. The Sunday schools that participated in selecting the time and place are the Baptist, Christian, Methodist, and the Sunday Schools on Hobbs and Myers Hill. The Sunday School of Summerfield has extended a cordial invitation to spread with us. All other Sunday Schools at Coalmont, Monteagle or any other place are invited to be present. Every body come with a well filled basket, and let us enjoy ourselves.

The picnic grounds may be reached by going on the train (it will stop at Flat Rock, the closest stop) by using your Ford, or by walking. She train service will be good because you may stay all day, or a part, the Monteagle road is good and you may ride there within a few minutes, and walking 4 miles is good exercise, you will have such a good time regardless of how you travel you'll remember this 4th of July as being extremely enjoyable.

There is a large field that will be connected into a ball diamond tennis court, croquet grounds, etc. Swings may be hung from trees. So, by bringing your paraphernalia you may have a most enjoyable time.

In addition to the various

games above mentioned there will be races; 100 yd dash, 30 yd dash, relay race etc, for the boys and girls.

In order that everybody may have more fun, those who play tennis etc. should select your partner and challenge any other team for a match. The boy scouts challenge any boys or girls not older than 18 for a tennis match, relay race, 100 yd. dash, 30 yd. dash etc. It seems that a baseball team should be selected from the Woodmen vs Redmen, Business men vs. Professional etc. Let us have a baseball game in the morning as well as in the evening.

Let everybody come and have a good time.

The boy scouts will sell drinks cream etc. Remember them. They will serve you gladly.

In another column of this issue will be noticed an article announcing a joint picnic of all the Sunday Schools in and around Tracy City.

This is a splendid movement and all people who attend Sunday School and Church services at any Church should be present. Those who aren't regular members of any Sunday School will be welcome to enjoy the hospitality of all. It will do you good to the picnic July 4th.

to come. At this time, every man and woman, regardless of all previous conditions, church dogmas and belief, will lay aside such petty beliefs, and if there be hatred there would be no more hate and all men and women, boys and girls be true brothers and sisters. This is a fine plan and the ones who urged it are to be commended. It is hoped that the plan will be continued from year to year.

As it has been heretofore, the various Sunday Schools have mustered together their crowds, and have had separate picnics. There are many objections to this. Chief of these is the lack of members. No picnic will be as much enjoyed if there aren't many of your chums, special friends, and those you enjoy being with, as one will be if you have all these. Sunday Schools which have a large number of men and women are lacking in boys and girls, those lacking in men and women may have a large number of boys and girls but few young men and women. But with us all together, we'll have young and old, boys and girls, young men and women. Everybody should have a good time.

Candidates for the various county offices which, by all means, be present. Several have already said they would be there with their families. It's a good time to receive the good old handshake of these men. Look out upon the multitude, Mr. Office seeker. Being citizens of the same town and county, we should value our fellow citizens more highly. We can force ourselves out of the old rut, the old way of thinking and get new thoughts and ideas. While we may differ in our belief as to church dogmas yet we all believe, or at least should believe in the brotherhood of God, and brotherhood of men. If we have these essentials well grounded in our lives, the minor points will look after themselves. Let us all go to the picnic July 4th.
